## US NAE – National Academy of Engineers

The message given by the US National Academy of Engineering on 15 August 2018, NAE – CityU International Grand Challenges Scholars Program Workshop 2018, Hong Kong

"..... EWB, as a premier example of synergy with the Grand Challenges Scholars Program (GCSP)\*"

## EWB-International at NAE GCSP

### Synergies with the Grand Challenges Scholars Program

- **Multicultural Competency:** understanding different cultures, preferably through multicultural experiences, to ensure cultural acceptance of proposed engineering solutions.
- **Social Consciousness Competency:** understanding that the engineering solutions should primarily serve people and society reflecting social.
- **Already Established Cooperation:** EWB Hong Kong is running the "EWB Global Citizenship Programme GCP" supported by 4 universities in Hong Kong. This is one of the recognized programs by City University of Hong Kong which has the GCSP program at the same time.
- **EWB Hong Kong's GCP** has been presented on the GCSP Workshop, organized in August 2018 in Hong Kong.

## 2019 Asia-Pacific Humanitarian Leadership Forum

EWB-HK presented the Global Citizenship Program in the Building Humanitarian Leadership Capacity Theme – May 2019

Application deadline: 16 October 2022

## GCP Programme Goal:

To provide a platform for future Leaders and Change Makers to explore the global challenges, to serve the society proactively with global vision, and hence to contribute to the sustainable development goals as global citizens.
