TIPS FOR NEXT TRIP

- "Life is what happens to you while you're busy making other plans" - Allen Saunders, Reader's Digest 1957
- Prepare more than necessary, allow ground for variables and changes on arrangement
- Local weather and temperature difference
- Working style varieties
- **Be creative, the strength of a team is each individual member**

VISION:

GCP Programme Goal:

- Platform for **future engineering leaders** to explore the global challenges through Human Centric Design
- **To serve the society** proactively with **global vision**,
- To contribute to the **sustainable development goals** as global citizens.

EWB-HK Mission:

- To accelerate betterment in life of disadvantaged communities and **promote sustainable development** through the empowerment of engineering means.
- To enhance the capacity of Hong Kong's professionals and the **future generations** to contribute to communities through **sustainable, human centric design**.
